ORGANIZATIONAL CHART

ACHIEVEMENTS

1. CENSCOPE in partnership with United Nations High commission for Refugees (UNHCR) and the Youth Federation for World Peace (YFWP) have organized and commemorated the 2018 - International Day for Peace to celebrate the return of peace and promote the reinforcement of sustainable and lasting peace in the state. CENSCOPE however, partners with other key and strategic partners to celebrate the commemorative days.
2. Community Resilience and Peace Networks (CRPN): In total efforts to actualize its mandate of promoting last lasting and sustainable peace in the society. In 2017 created a network of community members made up of mainly young people to periodically seat together and analyze the signs of conflict and possible signs of the break of law and order, CENSCOPE was able to inculcate and enhance the abilities of those community members to be resilient and advocates of peaceful coexistence. These platforms are still existing in Old Maiduguri of Jere LGA and as well Gamboru of Maiduguri Metropolitan council

3. Rapid Needs Assessment by the United Nations Food and Agricultural Organization (UN-FAO): in 2018, CENSCOPE in collaboration with the Network of Civil Society Organization Borno state (NECSOB) embarked on a rapid needs assessment to determine agricultural inputs for the 2018 raining reason for Internally displaced persons and returnees of Mafa Local Government Council
4. Distribution of food items in partnership with Dangote Foundation: In 2014, CENSCOPE in collaboration with Network of Civil Society Organization (NECSOB), partnered with Dangote Foundation through the Likeminds projects in Borno state to distribute assorted food items to internally displaced persons in Old Maiduguri of Jere Local Government council. In this intervention, more than 2,000 households were target and have successfully benefitted
5. Campaign on violent free election: Towards the 2015 general elections, CENSCOPE in partnership with the National Youth Council of Nigeria organized a youth summit and organized a vigorous advocacy to sensitize the young people in preparations for the 2015 general elections. Prior to electoral periods, the youth were perceived by most political actors as tools for violence and rigging the electoral process. This campaign have taken place in the markets, streets, tertiary institutions and major places that attracts the attention and audience of the youth
6. Environmental Protection and Community Development Program: CENSCOPE flagged-up an environmental protection program and community development program in Gamboru ward of Maiduguri Metropolitan Council and Old Maiduguri of Jere LGA, the program is aimed at creating awareness and sensitizing the youth and other members of the society of the importance of contributing their meaningful quota towards the development and the advancement of their society, these project have been thought provoking and woke the youth to deliver to their responsible as citizens
7. CENSCOPE is implementing a UK Government's Conflict Security and Stability Fund (CSSF); titled "Our Unity, Our Strength" in partnership with International Alert.
